REJECTED

Case #08CV927-L

Honorable Judge Lorenz:

I am writing you this letter to ask of you to please reconsider my motion for appointment of Counsel. Your Honor, even though I have a High School diploma & speak fluent English I will not be able to defend myself properly, I have no training in the matters of law, and I can honestly say that I hardly understand what most briefs are saying, I lack in comprehending most case laws. Sir, I wouldn't even know how to submit, yet alone, reply to a brief. Yes I have a paid lawyer Sir, in which my father is struggling to pay, if I was able to afford counsel. Believe me Your Honor I would not even waste your time, but in the fairness of Justice I ask that you please reconsider so that I can have a fair shot at some Justice for once.

Your Honor, if I was to represent myself I will be left out of Justice, the reason being that this facility, even though it has a law library it does not have the resources I will need to research or respond accurately to any of the case laws or arguments that the government will be arguing, and for me to receive these case laws (by request to ICE) would take a month to receive, and would be asking Your Honor for a lot of continuances, this library is not at request it is limited at least 5 hours in a week, that is what we can receive. I ask your Honor to please reconsider my plea for it is Justice and freedom I am seeking. If I knew I didn't have any chances in winning my 9th Circuit case, I would not have appealed the Judge's decision. I have merits in which they are substantial I did not ask to be held in custody, the 9th Circuit seen that I have a valid claim & so they issued a stay of removal, the government apposed it & yet the 9th did not agree with them. For what reason? Your Honor I can only speculate that there reason being is that I do have an abundance of merits in my case that favor me, my Country will not issue travel documents knowing that I still have a case pending on appeal, that is why I see no travel documents coming in the foreseeable future. Your Honor I Thank You for your time, and I apologize for being a inconvenience, people make mistakes some younger than others, there is always a possibility to change, and I truly believe that I have.

RECEIVED

Sincerely yours
 Manuel W. Gonzalez
